

SHIRO By GENTAŞ

Expanding Gentas laminate use collection, a new product is presented in the coming Interzum-SHIRO.

As decorative laminate use in all home applied furnitures and application, Gentas developed a new compact

Laminate that can be used as a wall covering in wet area (Shower / Sauna / Bath).

The laminate features a high wet durability and dimensional stability that ensure the use of SHIRO instead

Of the traditional ceramic tile.

The advantages of the new product are: easy to machine (Cut / Drill / wall apply), Light weight Vs. Ceramic

Tile, Easy to apply, Variety of decors and finishes.
